Please know that the IASC State Board at its January meeting removed the Early Bird Membership Registration. There is now only the "Regular" Membership Fee. At the same meeting, the IASC State Board removed the School Conference Fee that schools attending our events paid. That fee will not be assessed during the upcoming school year.

Indiana is recognized throughout the United States as one of the premier states for student leadership. Please consider joining the Indiana school organization whose primary purpose is developing and maintaining strong student leadership in the State of Indiana.
