2. Once an incident is reported, the student will be separated from the environment or persons involved to ensure his/her safety and well-being.
3. The IASC will conduct an investigation of the incident to determine what actions should be taken and if local authorities will be contacted. State law will guide the IASC in its obligation to report specific incidents involving minors.
4. IASC will review the investigative findings with the adviser and will conduct any communications with parents, school officials, or other parties.
