An invitation to become a member of the IASC.

The Indiana Association of Student Councils has been in existence for over sixty years. We are an independent 501(c)(3) nonprofit business whose mission is to create and deliver opportunities and events that serve to empower the personal leadership growth in Indiana school students and teachers/advisers. Our programs develop individuals whose service to their schools and communities make them better places to live and learn.

Each year we deliver a variety of standards-based leadership experiences to Indiana students and teachers/advisers through state-wide, regional and local conferences and workshops.
