Inspiration Action Service Character

## An invitation to become a member of the IASC.

The Indiana Association of Student Councils has been in existence for over sixty years. Established in 1962, we are an independent 501(c)(3) nonprofit business whose mission is to create and deliver opportunities and events that serve to empower the personal leadership growth in Indiana school students and teachers/advisers. Our programs develop individuals whose service to their schools and communities make them better places to live and learn.

Each year we deliver a variety of standards-based leadership experiences to Indiana students and teachers/advisers through state-wide, regional and local conferences and workshops. These programs are designed for and delivered to elementary, middle level and high school students and their teachers/advisers. Our programming is beneficial to **ALL** student leaders.

Indiana is recognized throughout the United States as one of the premier states for student leadership. Please consider joining the Indiana school organization whose primary purpose is developing and maintaining strong student leadership in the State of Indiana.
